J. A. C. NEWS

By Pep.

The J. A. C. ball team defeated the F. H. H. Club of Dallas at "Y" Park Sunday by the score of 16 to 6. The

feature of the game was the hitting of Fink and the pitching of Brown. Most of the Dallas runs were caused by the wildness of Brown. The Fort Worth runs were caused by errors and timely hitting. The two teams have met in two games and each team has taken one. The third and deciding game will be played in Dallas. This

game will decide the championship of the two cities.

Y. M. H. A. Meeting.

There will be a meeting at the Hebrew Institute Sunday, Sept. 11, at 3:00 p. m. to discuss the matter of recognizing the Y. M. H. A. All young men who would be interested are asked to attend, whether or not they were previously members. No money will be collected or asked.

This meeting is for the purpose of determining whether it would be practical to go on with Y. M. H. A. work in Fort Worth.

ABE BRACHMAN, Treasurer.

O. T. Club Notes.

A regular meeting of the club was held at the Hebrew Institute Wednesday night with every member attending.

The club wishes to state that as soon as we organize our basket ball team and also volley ball team we will issue a challenge to the two other Jewish clubs in the city. We have some very fine basketball and volley ball material. A few of the members played on the former Y. M. H. A. teams of a few years ago. So be prepared for our challenge.

The F. O. P. initiation drill team pulled off the initiation work at the meeting and we are sure that the members that were the victims did not have an easy time of it. They certainly gave it to us good and strong, plenty of everything. Mr. Sidney Levenson was the hero of the occasion. He took it like a man and when they were through he asked for more.

The O. T. Club have voted to be 100 per cent strong in joining the new Y. M. H. A. whenever the organizers want us to come in. We have the cream of the Jewish boys in our club and you can be sure of a fine bunch of senior members. Any time you want us to come in just holler and we will come in a body and be glad of the chance.

A good many F. O. P. club members attended our meeting and from the remarks about us we are sure that we made a good impression upon them. Our meetings are conducted in an orderly manner. The president conducted himself as a president should. Everyone follows his example and without any bragging or getting conceited I can say that we have a club that is an honor to the Jewish people of Fort Worth.

Though we have not our quota yet, the club voted that our books shall be closed. We will therefore not take in any new members. Fellows that have their applications in already will have to wait their turn. When our books are open again for membership there will be some fight and hard work to get in.

The club is doing its utmost best to help as much as they can to pull the big F. O. P. Dance over. As there is not a rolling stone in our entire club you can be sure that instead of rolling down the hill we are going to climb up the hill and try and make their dance a big success.
